

With hope and caution, we will be opening our church back up for worship on Sunday, May 24th! As we begin, we will only open the morning service at 10:30 AM. All other services and activities remain suspended at this time and will be announced at a later date. We ask you to bear with us as things will be different for a short time. It is our desire that you experience a worship service which allows your spirit to be fed with the nourishment that Christ desires, and our leadership has worked tirelessly in ensuring safety protocols are met to produce individual freedom in worship.
